

2020 City of Coleman Redevelopment Agency Report

Project

Park Improvement:

For FY 2019/2020, \$25,000.00 was budgeted; and in November 2019, \$5,127.00 was expended for certified playground mulch at Dunklin/Riser Park. Purchase of playground equipment and improvement of picnic facilities were planned but were not accomplished due to problems associated with COVID-19.

None for 2020

Summary

1) Capital Improvement Projects (Paving of Streets)

Anderson Road had been paved from Hwy 301 to Walter Treatment Plant

2) Capital Improvement Projects (Parks)

The City's two parks (J. L. Rowe Park & Dunklin/Riser Park) have been improved with CRA fund along with several Florida Recreation Development Grants; however, ongoing vandalism issues have been problem.
